"Never questioned that should
be guilty."
Quoted my book but said he
had never read it - yet
recognized it & said he
had written a review
for Dramatics Magazine -
Investigate on Fragments
Epstein WTOP, 10/14/66
Liebler & Co - Old History
did not give any clue
on acquisition of autopsy used
Latvia language unintentionally
taken to mean this on p. 115
Regardless he is wrong because
it was returned & on 11/24/63,
as he would have known had he
done any serious research.
